

TRNSYS Online Training Enrollment Form

April 2021

Course Schedule

The course will be given in four sections each lasting three hours. Participants will join the course using an online screen sharing resource. The course will be divided into lectures, demonstrations, and question/answer periods. The four sessions will run:

April 26
April 27

April 28
April 29

Specific times will be set to accommodate the time zones of attendees as best we can. Times will be announced closer to the course date. Typically courses run in the early morning in the US.
